

Florida Jr. Panthers Travel Hockey Club Inc.

(Non Profit Corporation)

The Florida JR. Panthers Hockey Club is a non-profit organization that provides elite level coaching, college exposure, and support to female/male student-athletes in the sport of ice hockey.

The Florida JR. Panthers are holding their 2nd Annual Golf Tournament September 8th, 2003 at Deer Creek Country Club. We are looking for sponsors who want to associate themselves with a highly visible and successful group of committed female/male student athletes. Members of the JR. Panthers are not only at the top of their game, but also at the top of their classes. The focus on women's/male's athletics is undeniable and is sure to catch the attention of the masses. We are a young and growing group, we are offering these young athletes an opportunity to stay in the state of Florida and compete as an organization. We can and will work hard, but our efforts alone just will not be enough, we truly need your help! The support of the community is imperative to the success of our teams. We are asking you to make an investment in youth hockey. Our financial goal is to raise as much as possible for these young athletes. Please be assured that your contribution will be making the future brighter for some very talented and dedicated boys and girls. Remember that the Florida JR. Panther Hockey Players of today are potential US Olympic Hockey Team members of tomorrow.

How Funds Will Be Used?

JR. Panther Sponsors will help to defray operating costs of the organization in the following ways:

1. Set up a scholarship fund for deserving players.
2. Subsidize travel expenses including the USA National Championships.
3. Purchase team equipment, and other needed game and off-ice training equipment.
4. Subsidize tournament entrance fees.
5. Purchasing ice for clinics to introduce young players to ice hockey in the Florida area.
6. Subsidize summer training program for Panthers players and prospective players.

Thank you for your consideration
